

Product Requirements for Hemp-Derived Edibles

1) All products must be in a child-resistant, tamper-evident, and opaque package at point of sale.

All Products Must Include:

- 2) Manufacturer's name, location, phone number, and website
- 3) Name and address of the independent, accredited testing facility used to test the product
- 4) Amount or percentage of cannabinoids found in the product, both per serving and in total
- 5) A list of ingredients, including declaring any major food allergens.
- 6) An indication of recommended serving size and total servings per package
- 7) The batch number of the product

8) A statement to the effect of, "This product does not claim to diagnose, treat, cure, or prevent any disease, or alter the structure or function of the body, and has not been evaluated or approved by the United States Food and Drug Administration."

9) A statement to the effect of, "Keep this product out of reach of children"
